Dear Carol,

All the office and sales personnel came in on Monday and made comments such as "Wow, what a difference!"

It must be a miracle cleaner that Ceiling Pro has that removed all the heavy layers of nicotine on the acoustic tile and lights. The show room and offices are much brighter and smell clean. Morale is up!

Thanks for a job well done and thanks for saving me thousands of dollars on the cost of new tiles.

Sincerely,

Dear Tom,

We would like to take time to thank you and your staff on the wonderful job you did on our ceilings at our store in San Antonio, Texas. We are very impressed with the cleanliness of both lobby and backroom ceilings.

We would recommend your services to anyone. Our ceilings look brand new. We were especially impressed with the way your crew prepared themselves and then cleaned up afterwards.

Again, thank you for a very professional job.

Sincerely,

Joe Rempert

Dear Carol:

The purpose of this letter is to let you know what a wonderful job I think your crew did in the cleaning of our Burger King restaurant.

We had another company perform this same service six months ago, but the results were not even close to what your crew achieved.

We're having our quarterly managers meeting next week and I'll be sure to talk up your service to the rest of the managers in our organization.

Thanks again for the excellent job and I look forward to a long and mutually beneficial business relationship between Burger King and Ceiling Professionals International.

Sincerely,

Dear Carol,

This letter is to commend your cleaning service on the work performed around our pool area in our hotel in Bloomington.

Your crew was both timely and courteous and the job came in exactly as you had bid it.

I believe the area you worked on around the pool looks terrific, both customers and employees have noticed the difference.

I would be happy to recommend Ceiling Pro to anyone considering any specialty cleaning projects and we certainly plan on using Ceiling Pro in the future.

Sincerely,
